INTRODUCTION

Welcome to the University of Jember's Partial Scholarship Program, a testament to our commitment to fostering global education and embracing diversity. At the heart of our mission is the belief that every deserving student, regardless of financial constraints, should have the opportunity to access world-class education.

Our Partial Scholarship Program is designed to empower talented international students, providing them with the support they need to excel academically and contribute meaningfully to our vibrant and diverse academic community. By offering financial assistance for tuition and related expenses, we aim to break down barriers and create an inclusive learning environment where students from various backgrounds can thrive.

Join us at the University of Jember as we embark on a journey of academic excellence, cultural exchange, and global collaboration. Discover a supportive community that values your unique perspectives and is dedicated to helping you achieve your educational aspirations. We invite you to explore the possibilities and make a lasting impact on your future and the world.

At the University of Jember, we believe in the power of education to transform lives. Apply for our Partial Scholarship Program and become part of a community that celebrates diversity, fosters innovation, and prepares students for success in a rapidly evolving global landscape.

Welcome to a world of opportunities at the University of Jember!

GENERAL INFORMATION

This year, University of Jember offers Partial scholarship. This scholarship which entails a reduction in tuition fees, and some benefits to admitted applicants, is available for offshore international applicants (foreign nationals without Indonesian KITAS/KITAP). There is no need for applicants to submit a separate application for the partial scholarship. The scholarship will be assessed based on the entrance test result and will be announced upon acceptance into the program.

Partial scholarship schemes typically cover only a portion of the total cost of education. The coverage can vary widely depending on the scheme scholarship and university's fund. This program targets prospective international student who interest to join a master and doctoral degree program in the University of Jember.

Through UNEJ scholarship program, UNEJ can participate in providing opportunities for foreign students and contribute to global education.
